Creative Journaling: Finding meaning in metaphors

Life's like a box of chocolates...or is it? Could it also be like art? For both, we have to work hard to keep it simple and still have meaning. So many times, we've noticed what is important to our art can also be a symbol for life. Let's explore how what we've learned in our creative pursuits can be applied to life's mysteries.

Next class: Oct. 31 – Dec. 5 Theme TBA

Wed., Sept. 13 – Nov. 29; 9:30 a.m. to noon; 12 weeks, \$180

Mixed Media: Altered Book

Back by popular demand! Bring a sown signature or coil book that either inspires a topic or select your own theme first and locate a corresponding book. We will transform it into our own personal expression with moving parts and secret places. Find a Tupperware bin big enough to hold your collection of theme related material. An outing to Fair's Fair may be planned before the class begins.
