Tuesday, September 11 – Oct. 16; 6 weeks, \$100

Three time slots: 10 a.m. to noon; 1 – 3 p.m. or 7 – 9 p.m.

### **Creative Journaling: Getting to know you II**

There is no evidence to suggest that any species of animal other than humans comes equipped with methods for any kind of meaningful self-appraisal: to ask what and why. This uniquely human ability is every bit as essential to our well-being as our five senses. It allows us to examine closely the processes by which we think, feel, behave and express ourselves creatively. The exploration continues! Let's also ask 'who'!

*Next class: Oct. 30 – Dec. 4, 2018*

Wed., Sept. 12 – Nov. 28; 9:30 a.m. to noon; 12 weeks, \$200

### **Mixed Media: Abstract Line and Painted Layers**

Focusing on clear tar gel, masking fluid, applicators, glazing medium and fluid acrylics, we'll create some interesting abstract (or not) pieces that can stand alone or be adapted for a variety of places including our journals. It'll be up to you to decide where this exploration lands. As in previous classes, I'll be cutting my examples down and creating an instruction booklet. **Please note: you will be required to bring some of your own supplies; a list is available upon request or registration.**

*Next class begins in 2019*

### **Open Studio: Thurs., 6:30 to 9:30 p.m.**

"Drop-in" to the studio. Bring your own project and supplies. You are welcome to use any of the studio toys or look for ideas in the extensive library! Create with the supportive and inspiring companionship of other artists. \$5/visit or \$25 for a 6 week pass (visits do not have to be consecutive). **Due to low attendance, Open Studio in 2019 may not be scheduled.**

### **Mark your calendar: December 6, 6:30 – 9:30 p.m.**

#### **Studio Year End Party: Potluck Appetizers**

Just bring a bit of food...we always have too much! Liquid refreshments will be on hand. Come to visit, work on a project or both. There will be a voluntary napkin exchange: bring what you'd like to leave and walk away with that many different ones. Regift and repurpose: if you want, bring up to six practically new items (art related or not) that you want to set free to a new home but be prepared to take them away with you at the end of the night if no one else collects them. Items in the past have been a variety of things: scarves, jewelry, art stuff, books etc. You get to select from the offerings as well.
