Dear Holly and Friends at Anglican Church of the Good Shepherd,

Thank you so much for your recent in-kind donation of backpacks and school supplies to Closer to Home's North Central Family Resource Network (NCFRN).

At Closer to Home we want to see *every child thriving within supportive family and community relationships*. Your donation provides a secure foundation for many families in Calgary and surrounding areas each year, to learn, grow and find strength, because we know that strong families build resilient kids and communities.

Donors like you make it possible to bring meaningful change to the lives of those in our community. On behalf of the children and families we serve, thank you for making the communities we live, work and play in, places where we can all thrive.

With gratitude,
